Fiscal Analysis

- ASSUMPTIONS:
1. This bill clarifies that bonds forfeited in felony cases shall be paid to the Department of Revenue for deposit in the state general fund. This clarification was missed during the State Assumption of District Courts and is being requested now.

2. Under this legislation, the money will be deposited through the county collection process and reported as revenue to the general fund. This will generate some revenue for the general fund, however, the amount is not measurable as the bond forfeitures are not predictable events.
